Baby I'd be lost today  
Like some wreckage from a hurricane  
Castaway  
A castaway

You went and put me on a bigger stage  
Made me wanna go and live again  
Not afraid  
I'm not afraid

Oooh oooh oooh  
I'll give it all to yooh oooh oooh  
It's in the way you love me love me baby  
You lift me up and levitate me save me

Oooh oooh oooh  
I'd give it all to yooh oooh oooh  
Cause every time you touch me yeah it takes me  
To another world you elevate me

Levigator,  
Levigator,  
You're my levigator,  
Levigator

Like the legend of a pot of gold  
A rainbow led me to your soul  
Gold  
All I can hold

You bring me to a higher place  
And leave me in a state of grace  
Home  
You take me home

Oooh oooh oooh  
I'll give it all to yooh oooh oooh  
It's in the way you love me love me baby  
You lift me up and levitate me save me

Oooh oooh oooh  
I'd give it all to yooh oooh oooh

Cause every time you touch me yeah it takes me  
To another world you elevate me

Levitor,  
Levitor,  
Youâ€™re my levitor,  
Levitor

Ooooh ooooh ooooh  
Iâ€™d give it all to yoooh ooooh ooooh  
Cause every time you touch me yeah it takes me  
To another world you elevate me

Levitor,  
Levitor,  
Youâ€™re my levitor,  
Levitor

Levitor,  
Levitor,  
Youâ€™re my levitor,  
Levitor
