Suburban sprawl and alcohol  
And what's the use in anything at all  
When you can't remember and you can't forget  
And you want to change  
But you haven't yet and...

We all turn back in the end  
We all turn back in the end

I couldn't wait to get away  
From all the things I love to hate  
Like the kitchen table, the sewing room  
When it was finally over  
It was too soon and...

We all turn back in the end  
We all turn back in the end

Suburban sprawl and alcohol  
And what's the use in anything at all when...

We all turn back in the end  
We all turn back in the end
