I didn't want to love
I was happy on my own
I wish I never had a taste of your sweet song

I was rolling like the stone
Taking any road
There was something in the way you turned me on

All the pretty words you said fell through my fingers
just like sand
Ever since that solid day you took my hand

Wasted love
Wasted love
Wasted all my time and all my love on you

When times were rough
You used me up
Wasted love on you

Did you ever really see?
Was it ever really me?
Why'd you keep me in a cage, you should've set me
free

'Cause every single time you lie the light comes
searing through my pride
And if you had a heart now I know it wasn't mine

Wasted love
Wasted love
Wasted all my time and love on you

When times were rough
You used me up
Wasted love on you

All along I knew something was not right
But I was hoping I could change your mind
Oh

All along no matter how I tried and tried

You kept taking, taking, taking every breath I had
inside
Oh

Wasted love
Wasted love
Wasted all my time and all my love on you

When times were rough
You used me up
Wasted love

Wasted love
Wasted love
Wasted all my time and all my love on you

When times were rough
You used me up
Wasted love on you

Wasted all my love on you
Wasted all my love on you
