There's nothin like family  
To get you through the bad times and share the lime life  
With  
Singin' and dancing is kool, I promise I'll never leave  
you  
Girlfriends I love you

I feel the same everyday  
That's why were successful  
Because we've stuck together through it all, and  
(Oooooohhh)There's nothin like a smilin' face  
Never have to pretend because I know you are my best  
friends

We are  
We are best friends til the end of time  
I just want you to know that  
We are  
We are best friends til the end of time  
I just want you to know that
