I remember you and the first time we looked in
each other's eyes
I felt a warm surprise
I knew right then and there, you were only dormant for
me..
The beginning of spring, the nature sings, the
blossoming everywhere
yeah!hehehe
Special love in my life, good only for me! My April
Love! My April Love!
I never knew the joy from love, could delight me so!
Just to know I have someone, so close! that can
really loves me!
My April Love! you're the special love of my life!
My April Love! good only for me
My April Love!.. .. Ohhhhh yeah!
My April Love!
When the time of year, is near
I always get that same old feeling all over again!
Everything is feeling brand new, just like the very first
time
Beginning of Spring, the nature sings, go blossoming
everywhere!

Never knew the joy from love could delight me so
Just to know I have someone so close that loves me
