

## **L.T.D. "Concentrate On You"**

Visit "[Concentrate On You](#)" on [MotoLyrics.com](http://MotoLyrics.com)

You're a silhouette of splendor. Our love to remember.  
Oh it helps me through, these hours I spend away from  
you.

People wonder how I do it. Oh aint nothing to it. These  
gentle thoughts of you, make it all worth going  
through.

You gave me a special kinda feeling. Makes it easy and  
oh so pleasin' to...

Chorus:

Concentrate on you (concentrate on you)

Concentrate on you yeah yeah (concentrate on you)

Oh takes separation to bring appreciation; and I want to  
thank you, for all the love too.

The secret lies within our minds, the love we share and  
the time that binds, helps me

Chorus:

Concentrate on you (concentrate on you)

Ah ha

Concentrate on you (concentrate on you) yeah,

Concentrate on you (concentrate on you)

Ah ha

Concentrate on you, oh yeah

(Instrumental break)

Doo do do do do do do do do

Hey yeah

Ooh yeah, yeah, yeah, yeah

The secret lies within our minds, the love we share and  
the time that binds, helps me

Chorus:

Concentrate on you (concentrate on you)

Ah yeah

Concentrate on you (concentrate on you), yeah

Concentrate on you (concentrate on you) oh yeah

Concentrate on you yeah. It's all I want to do girl, is...

Concentrate on you (concentrate on you) yeah, yeah

Concentrate on you yeah, yeah, yeah

Do you remember when I used to come by and pick you  
up to take you out?  
We had a love call, yes we did girl and it went a little  
something like this:

"Do do do do do do dooo, Do do do"  
Ha ha that was our love call and in the distance I heard  
you say  
"Do do do do do do dooo, Do do do"  
And I'd say, that's my sweet baby, that's my sweet  
baby, baby, baby yeah yeah  
And you know what? It would always make me, make  
me sit down hey and

Chorus:  
Concentrate on you (concentrate on you), ah yeah  
Concentrate on you yeah, yeah, yeah  
Concentrate on you girl (concentrate on you) yeah  
That's all I want to do is concentrate on you... yeah,  
yeah, yeah

{Fade out}
