(Paul Jabara/Paul Shaffer)

Humidity's rising, barometer's getting low
According to all sources, the street's the place to go
Cause tonight for the first time (first time)
Just about half past ten (half past ten)
For the first time in history
It's gonna start raining men (start raining men)

It's raining men ! Hallelujah ! It's raining men ! Amen !
It's raining men ! Hallelujah ! It's raining men ! Amen !
Oh

Humidity's rising, barometer's getting low
According to all sources (sources), the street's the
place to go
Tonight for the first time, just about half past ten yeah
For the first time in history, it's gonna start raining men

It's raining men ! Hallelujah ! It's raining men ! Amen !
I'm gonna go out, I'm gonna get myself wet, absolutely
soaking wet !
It's raining men ! Hallelujah ! It's raining men ! Every
specimen !
Tall, blonde, dark and lean, rough and tough and
strong and mean !

God bless Mother Nature, she's a single woman too
She took off the Heaven and she did what she had to
do
She taught every angel to rearrange the sky
So that each and every woman could find her perfect
guy !
Yeah yeah yeah yeah, it's raining men, yeah !

I feel stormy weather moving in, about to begin (about
to begin)
With the thunder, don't you lose your head
Rip off the roof and stay in bed (Rip off the roof and
stay)

It's raining men ! Hallelujah ! It's raining men ! Amen !
It's raining men ! Hallelujah ! It's raining men ! Amen !
It's raining men ! Hallelujah ! It's raining men ! Amen !
It's raining men ! Hallelujah ! It's raining men ! Amen !
