Welcome the first lady
To try and qualify in an A-Dragster
For NHRA competition
Shirley Muldowney

Feels so real
Crushing the steering wheel
How many times, must we toe this line?
Halting me its, is the fantasy

Cha-Cha, call her Cha-Cha
What's drag racing coming to?

How many times must you be told?
There's nowhere that we don't go
She's got good records
I suggest you find a seat in the grandstands
Because you don't wanna miss this

She's just have watched
What she wants to do?
I wonder if Shirley's got in her to hold that throttle down
Kills your joke
As she's burning out

Cha-Cha Muldowney is pulling her ahead
And she takes the red light
And you will find
Crossing the finish line
Shirley Muldowney has set a new track record

Satisfaction!
(She's got good records)

How much times must you be told?
There's nowhere that we don't go
She's got good records
What's a beautiful girl like you
Doing racing in a place like this?

Winning, winning, winning
The lady got through it

Winning, winning
What's drag racing coming to?

How many times must you be told?
There's nowhere that we don't go
She's got good records
What's a beautiful girl like you
Doing racing in a place like this?

Winning, winning, winning
Winning, winning
