I love to one-shot mages,  
I live to two-shot priests,  
When I see ya,  
I'll pvp ya,  
Spankin' noobs, that's my favorite cheese!

[Chorus]  
Rogues!  
Do it in the darkness,  
Rogues!  
Do it where the sun don't shine,  
Rogues!  
And with a little drop of poison,  
Rogues do it from behind! (yeeah, hahahahaha)

Gonna creep inside your backdoor!

I wear bloodfang leather,  
Bonescythe and netherblade,  
Chop-chop the level 7 warlock,  
Gonna take him out! with perdition's blade!

[Chorus]  
Rogues!  
Do it in the darkness,  
Rogues!  
Do it where the sun don't shine,  
Rogues!  
And with a little drop of poison,  
Rogues do it from behind! (yeeeeeah... whoooooaaa  
yeeeeaaaaahhhh! )

Sinister strike, eviscerate, cheap shot, backstab!  
Slice and dice, ambush, rupture, blind!  
Sinister strike, eviscerate, cheap shot, backstab,  
Gank you, thank you, now I outrank you!

With dagger, mace, and sword,  
We are alliance or the, mighty horde!  
Not your everyday type prankster,  
Call me ice-t, original gangster! (yeeeeaaahhhh! )

You never hear me coming,  
When I creep across the floor,  
With deadly force,  
Your dead of course,  
Now I'm gonna camp your corpse!

[Chorus]

Rogues!

Do it in the darkness,

Rogues!

Do it where the sun don't shine,

Rogues!

And with a little drop of poison,

Rogues do it from behind! (yeeeeeeaaah)
