Gloria you're always on the run now  
Runnin' after somebody you gotta get him somehow  
I think you've gotta slowdown before  
You start to blow it  
I think you're headed for a break down  
So careful not to show it  
You really don't remember  
Was it something that he said or the voices  
In your head calling  
Gloria

Gloria don't you think you're fallin' ?  
If ev'rybody wants you why isn't anybody calling?  
You don't have to answer leave them hanging on  
The line calling Gloria

Gloria I think they've got your number  
I think they've got the alias  
That you've been living under  
But you really don't remember  
Was it something that they said or the voices  
In your head calling Gloria

Gloria how it's gonna go down  
Will you meet him on the main line or  
Will you catch him on the rebound  
Will you marry for the money take a lover  
In the afternoon  
Feel your innocence slipping away;  
Don't believe it's coming back soon  
And you really don't remember  
Was it something that he said or the voices  
In your head calling Gloria.

Gloria don't you think you're fallin' ?  
If ev'rybody wants you why isn't anybody calling?  
You don't have to answer leave them hanging on  
The line calling Gloria

Gloria I think they've got your number  
I think they've got the alias

That you've been living under  
But you really don't remember  
Was it something that they said or the voices  
In your head calling Gloria

Gloria ... Gloria ...  
Gloria Gloria  
Gloria Gloria
