Whole Lotta Things To Sing About

(Chorus)

IÃ¢â€Œ™ ve got a whole lot of things to sing about

IÃ¢â€Œ™ ve gotta whole lotta things to say

Like I love you and I need you

Every night and day

IÃ¢â€Œ™ ve gotta a whole lot of things I wanna do

IÃ¢â€Œ™ ve gotta a whole lotta dreams to dream

And I want you here beside me

Every step of the way

I was lonely as anyone could ever be

Til you came along and gave your love to me

Now that empty world that you just walked into

Is filled with sunshine and music and the song is you

Repeat Chorus

People wonder just what has happened to me

They say IÃ¢â€Œ™ m not at all the way I used to be

They donÃ¢â€Œ™ t realize IÃ¢â€Œ™ ve just begun to

live

And IÃ¢â€Œ™ m wrapped up completely in all the love

you give

Repeat Chorus
