Burgers and fries and cherry pies, it was simple and
good back then
Walking in the sand hand in hand never thinking that it
could end
Making our love with the moon above at the drive in
picture show
And it was burgers and fries and cherry pies in a world
we used to know

Changes come and go we've had our share I know
Now it seems we don't have time for love anymore
All the things we used to say, little things we did each
day
Oh I long to do the things that we did before

When it was burgers and fries and cherry pies, it was
simple and good back then
Walking in the sand hand in hand never thinking that it
could end

Making our love with the moon above at the drive in
picture show
And it was burgers and fries and cherry pies in a world
we used to know

Well I'm still the same old me, that's all I'll ever be
I'd like to think that you're the same old you
We lost something down the line that I wish we both
could find
Lord I'd like to do the things that we used to do

When it was burgers and fries and cherry pies, it was
simple and good back then
Walking in the sand hand in hand never thinking that it
could end
Making our love with the moon above at the drive in
picture show
And it was burgers and fries and cherry pies in a world
we used to know
