When I was a little bitty baby my mommy would rock  
me in the cradle  
In them old cottonfields back home  
When I was a little bitty baby my mommy would rock  
me in the cradle  
In them old cottonfields back home  
Well when of them cotton bolls get rotten you can't pick  
very much cotton  
In them old cottonfields back home  
Yes it was down in Louisiana just about a mile from  
Texarkana  
In them old cottonfields back home  
[ steel ]  
When I was a little bitty baby...  
Yes again in them old cottonfields back home  
Well in them old I said cottonfields back home
