(John Schweers)

Don'tcha, don'tcha, don'tcha
Fight the feelings of love
'Cause love is something
Nobody ever gets enough of.

So reach out your hand
Take in all the sunshine from above
Well now, love is believing so don't fight the feelings,
Don't fight the feelings of love.

A boy and a girl in a big spinning world
Upside down in love from the start
Sunny days and laughing skies
True love in both their eyes.

Spending happy good times in the park
Learning all about living,
Taking and the giving
Love is growing stronger every day.

Well now, there'll never be another
'Cause they're trusting each other
Good love seems to
Just work out that way.

I said now don'tcha, don'tcha, don'tcha
Fight the feelings of love
'Cause love is something
Nobody ever gets enough of.

Don't fight the feelings
Don't fight the feelings
Don't fight the feelings of love...
