Fools never learn you play with fire and you gonna get
burn
You and I are fools we play with love so we gonna get
burn
Fools that's what we are fools we've gone too far I know
But then love you come to me your eyes on fire you
tempted me
Love knows no bound beggar or king it'll bring you
down
Fools find love somehow fools we can't stop now I know
But then love this I know fool I may be I can't let go
Love this I know fool I may be I can't let you go fool I
may be I can't let you go
