A long time forgotten are dreams that just fell by the way  
And the good life he promised ain't what she's living today  
But she never complains of the bad times or the bad things he's done Lord  
She just talks about the good times they've had and all the good times to come  
Cause she's a good hearted woman in love with a good timin' man  
And she loves him in spite of his ways that she don't understand  
Well now through teardrops and laughter  
They'll pass through this world hand in hand Lord  
Cause she's a good hearted woman loving her good timin' man

He likes the night life the bright lights and good timin' friends  
And when the party's over she'll welcome him back home again  
Lord knows she don't understand him but she does the best that she can  
Cause she's a good hearted woman she loves her good timin' man  
Yes she's a good hearted woman...  
Yes she's a good hearted woman she loves her good timin' man
