(Cy Coben)

I was a rover on land and on sea
Till a good woman's love made a new man of me
Life had no meaning it was so incomplete
Till a good woman's love put me back on my feet.

Stead of roamin' I go home in the evening she's waiting
there
And no matter what happens I know she'll always care
And when the night falls and the moon shines above
I go home to a dream and a good woman's love.

And no matter what happens I know she'll always care
And when the night falls and the moon shines above
I go home to a dream and a good woman's love.

I go home to a dream and a good woman's love...
