Well, you ask me if I'll forget my baby, I guess I will
some day

I don't like it but I guess things happen that way
You ask me if I'll get along, I guess I will some way
I don't like it but I guess things happen that way

God gave me that girl to lean on, then He put me on my
own

Heaven help me be a man and have the strength to
stand alone
I don't like it but I guess things happen that way

You ask me if I'll miss her kisses, I guess I will every
day

I don't like it but I guess things happen that way
You ask me if I'll find another, I don't know, I can't say
I don't like it but I guess things happen that way

God gave me that girl to lean on, then He put me on my
own

Heaven help me be a man and have the strength to
stand alone
I don't like it but I guess things happen that way
