Hope You're Feeling Me Like  
I'm Feeling You

No one could hold me. No one could control me  
But now my future is up to you  
Your loving can shake me, make me or break m  
Oh I hope you're feeling me like I'm feeling you.

This feeling is crazy,  
But only you can save me  
From this love thing that I've got for  
you  
Your love is a potion  
And darling I need a notion.  
Oh I hope you're feeling me like I'm feeling you.

Chorus  
All these changes got me going in circles.  
First I turn away then turn right back to you.  
Girl I need your loving  
To keep me from sinking.  
Oh I hope you're feeling me like I'm feeling you.  
Oh I hope you're feeling me like I'm feeling you.

Repeat Chorus

All these changes got me going in circles.  
First I turn away then turn right back to you.  
Girl I need your loving  
To keep me from sinking.  
Oh I hope you're feeling me like I'm feeling you  
Yes, I hope you're feeling me like I'm  
feeling you.  
I want to win when I gamble.  
No need to ramble.  
I doubled my loving  
When I gave it to you.  
I gotta do it with you. I can't do it without you.
