Tomorrow I'll say, "Happy birthday, darling"
And surprise you with a gift when I come home
Then my forgetful arms will reach out for you
I can't forget you just because you're gone

I can't believe that you stopped loving me
It's too much for me to understand
How can anything so real become a dream
I can't believe that you've stopped loving me
I sifted all the reasons why you left me
And I've gone back and relived all the love we had
For every tear we lost I found a thousand smiles
And the good times always outweighed the bad

I can't believe that you stopped loving me
It's too much for me to understand
How can anything so real become a dream
I can't believe that you've stopped loving me

I can't believe that you've stopped loving me
