Too many nights I've been awake
We both so lonely, we don't know what to say
It's hard to hold on to a dream
When the sacrifice is hurting you and me

I hear your voice on the line
Sounds so sweet, I feel like mine

I miss my home
Everything I'm living for is not where I come from
I'll carry on and I'm back in the arms of the one love
'Cause I miss my home

Hope don't come easy, faith is hard to find
It's been so long since I had some peace of mind
The only thing that makes me [Incomprehensible]
Lord, my angel waiting there for me tonight

I miss my home
Everything I'm living for is not where I come from
I'll carry on and I'm back in the arms of the one love
'Cause I miss my home

I miss my home
Everything I'm living for is not where I come from
I'll carry on and I'm back in the arms of the one love
'Cause I miss my home

Oh, I miss my home
