If you'd have only taken the time to tell me you're mine  
and say that you love me  
I may not have been too eager then to tell you goodbye  
But I made up my mind for sure this time that I'm  
gonna leave you  
So next time don't wait don't hesitate appreciate the  
good man

I don't belong so I'll just move along it's better this way  
A man should walk tall but you made me feel small and  
that's why I say  
If you'd have only taken the time...  
But I made up my mind...  
But I made up my mind...
