Yes, I'll buy you a drink  
If you'd like me to  
I might even dance  
A slow one with you

Lord, knows you're a looker  
And, honey, what's more  
It's not hard to see  
What you're looking for

'Cause you're as tempting a woman  
As I've ever seen  
But there's someone in Dallas  
Who's trusting in me

She's the mother of my children  
I'm the rock she leans on  
So thank you but no thank you  
I'll be leaving alone

As we dance in the shadows

And you're holding me tight  
I can feel the invitation  
I've seen in your eyes

And the soft light and the music  
And the wine's rosy glow  
Ain't making it easy  
For me to say no

'Cause you're as tempting a woman  
As I've ever seen  
But there's someone in Dallas  
Who's trusting in me

She's the mother of my children  
I'm the rock she leans on  
So thank you but no thank you  
I'll be leaving alone

So thank you but no thank you

I'll be leaving alone
