I'VE GOT A WOMAN TO LEAN ON

(I've got a woman to lean on)

I've seen times there was no way the sun could ever
shine

And I've seen me so completely down and I count up
every time

But I've got me something special that keeps me going
strong

When life gets rough hmm hmm I've got a woman to
lean on

I've got a woman to lean on when I need her she stands
by

She's a lovin' flowin' fountain the stream that never will
run dry

She's a lady and she's a mother I think of which some
kinda lover

Hmm hmm I've got a woman to lean on

I can't buy her the things I'd like but I don't hear her
complain

If I needed water to save my life I think she could make
it rain

And it's just a fact of livin' that sometimes things go
wrong

But I don't worry hmm hmm I've got a woman to lean on
I've got a woman to lean on...

Hmm I've got a woman to lean on
