(Jack Clement)

There's a picture that I carry  
One we made some time ago  
If they ask who's in the picture with me  
I say just a girl I used to know.

Just a girl I used to go around with  
Just a friend from long ago  
I don't tell them how lost I am without her  
I say she's just a girl I used to know.

--- Instrumental ---

I say she's just another girl now  
Just a flame that's lost its glow  
And I say her name has slipped my mind now  
And she's just a girl I used to know.

Just a girl I used to spend some time with  
Just a friend from long ago  
I don't talk about the nights I cried about her  
I say she's just a girl I used to know.

Just a girl I used to know...
