(John Riggs)

I'll stand by your side, I'll always love you
I'll give my life just to let you win
I'll fill all your long nights, pull off tomorrow
I'll do these things if you'll let my love in?

Let my love in, into your heart dear
Don't make me wait even one more day
Let my love in, you won't be sorry
I'll live just for you, so won't you let my love in?

So give me one chance, please let me show you
How much I care then I think you'll see
That I am the answer to all your lonely
I'll stick by you if you'll let my love in.

Let my love in, into your heart dear
Don't make me wait even one more day
Let my love in, you won't be sorry
I'll live just for you, so won't you let my love in?

I'll live just for you, so won't you let my love in?
