(Harold Dorman - Wylie Gann)

Oh, lie to me, say you love me
Tell me I mean the world to you
It would mean so much, I'd be so happy
And it's the least you can do.

Though I know you love another
And for him your heart it's true
And I know that you can't help it
But there's one thing you can do

Oh, lie to me, say you love me
Tell me I mean the world to you
It would mean so much, I'd be so happy
And it's the least you can do.

--- Instrumental ---

Oh, lie to me, say you love me
Tell me I mean the world to you
It would mean so much, I'd be so happy
And it's the least you can do.

Oh, lie to me, say you love me
Tell me I mean the world to you
It would mean so much, I'd be so happy
And it's the least you can do...
