I've seen the big fish jumping mama I've heard crickets
sing
And I've felt my heart start pounding at the side of New
Orleans
I've seen the New York City with her lights aglow
I've been a lot of places always on the go
I've seen most everything I cared to see so mama when
I'm gone don't cry for me
[ac.guitar]
I've held a newborn baby mama in my arms so tight
And I've felt the warm love mama of a woman in the
night
I've seen the desert flowers mama where they grow
I've climbed the highest mountains covered with snow
I've seen most everything I cared to see so mama when
I'm gone don't cry for me
[ac.guitar]
I'm sending you this message mama I must say
goodbye
I live the life you gave me mama I'm not afraid to die
Even though I'm dying mama the hands of death are
strong
I don't want you crying mama after I'm gone
I've seen all of this old world I cared to see so mama
when I'm gone don't cry for me
So mama when I'm gone don't cry for me
