(Arthur Leo Owens - Hal Bynum)

Every night you fall asleep take my kiss and my
promise
That everything we're searching for is near
Just because we haven't found the mansions of our
dreams
Sweetheart pretend we give it one more year?

Sweetheart I know I've never made one dream come
true for you
If you'll just walk through one more storm a sunshine
may appear
But if we wake up tomorrow and you don't see a
rainbow
Sweetheart why can't we try it one more year?

--- Instrumental ---

Sweetheart I know I've never made one dream come
true for you
If you'll just walk through one more storm a sunshine
may appear
But if we wake up tomorrow and you don't see a
rainbow
Sweetheart why can't we try it one more year?

Sweetheart why can't we try it one more year?...
