(Kent M. Robbins - David Wills)

Letting me down easy would be the lovin' thing to do  
You could take it step by step till I get used to losin' you  
Now I can't really blame you if the feeling has  
disappeared  
But you won't even look me in the eye.

Oh you're takin' the easy way out takin' the easy way  
out  
At least you could've told me a lie  
But you're takin' the easy way out takin' the easy way  
out  
Not even sayin' goodbye.

It may be hard to face me but it's twice as hard to  
watch you go  
Goodbyes are never easy but you could have let me  
know  
Now I don't mean to criticize you I'm not tryin' to put  
you down  
I just thought that you would be a little kinder.

Oh but you're takin' the easy way out takin' the easy  
way out  
At least you could've told me a lie  
But you're takin' the easy way out takin' the easy way  
out  
Not even sayin' goodbye...
