ooh.. ooh..

Another night another dream but always you  
It's like a vision of love that seems to be true  
Another night another dream but always you  
In the night I dream of love so true

Just another night, another vision of love  
You feel joy, you feel pain  
'cause nothing will be the same  
Just another night is all that it takes  
to understand the difference between lovers and fakes

So baby, I talk talk, I talk to you  
In the night, in your dream of love so true  
I talk talk, I talk to you  
In the night, in your dream of love so true

In the night, in my dreams I'm in love with you  
'cause you talk to me like lovers do  
I feel joy, I feel pain 'cause it's still the same  
When the night is gone I'll be alone

Another night another dream but always you  
It's like a vision of love that seems to be true  
Another night another dream but always you  
In the night I dream of love so true

Just another night, another dream, another vision  
of love with me, I'm here to set you free  
I am your lover, your brother  
Hey sister let me cover  
your body with my love is with my love and just another  
vision of love that seems to be true  
and we'll do all the things that only lovers do  
A vision of love of love that seems to be true  
and we'll do all the things that only lovers do

In the night, in my dreams I'm in love with you  
'cause you talk to me like lovers do  
I feel joy, I feel pain 'cause it's still the same  
When the night is gone I'll be alone

Another night another dream but always you  
It's like a vision of love that seems to be true  
Another night another dream but always you  
In the night I dream of love so true

I talk talk, I talk to you  
In the night, in your dream of love so true  
I talk talk, I talk to you  
In the night, in your dream of love so true

In the night, in my dreams I'm in love with you  
'cause you talk to me like lovers do  
I feel joy, I feel pain 'cause it's still the same  
When the night is gone I'll be alone

Another night another dream but always you  
It's like a vision of love that seems to be true  
Another night another dream but always you  
In the night I dream of love so true
