Chorus

oaao-oo.

Verse1

Feel the love it's in the air, deep and burning love affair Come on and touch the fire of my soul, I wanna give you full control.

Rap1

Come to me lover and let me do you right. let's play a game of no-shame

This is the night. let's dance between the sheets to the sound of a

Heartbeat and let me hear the things that burn beneath the heat, your

Moans and your groans feel soft to my ears. to the point of no-return

Do I steer. grab a quick firm grip around the sexy hips, as your love

Juice drips to my back I slip. bolingo

Chorus x 1

Verse2

Fantasies of love come true, when I make sweet love to

Before you got me going on, I wanna love you all night long

Chorus + bridge:

Bolingo, bolingo, this what keeps you on my mind Bolingo, bolingo, we can make love anywhere, anytime Bolingo, bolingo, boy you might feel we got a lot to share

Bolingo, bolingo, we can make love anytime anywhere

Bridge from remix:

Talking bout' bolingo, talking bout' sweet love. Talking bout' bolingo, talking bout' sweet love, love, love!

Rap2

Honeys all around, but none of them fit the description, of my sexual

Prescription. beautiful, intelligent but they lack that 'uhhh' that

Gets me over the humps. so I stroll them all down library halls,

Searching for a women that has it all. a representation of an african

Queen, sheik and lean, but not only in my dream. they say good things

Come to those who wait, but if I wait to long I just might be to late.
