I could never see what they had planned for me  
Yet, and then you came  
Made a dream my reality  
Maybe you can see all the things you've lend to me  
With my simple fate is at the game  
Boy, you've got the key

Baby, baby  
fallin in love, I'm fallin in love again  
Every night, and every day  
Baby, baby  
Fallin in love, I'm fallin in love again  
More and more, and more

More and more, and more

Sweet baby, sweet baby, sweet baby  
Never dreamin, never scheming that it could be love  
On the wings of love, from heaven up above  
It's the way that you love me, not the things you do  
That keep me coming, keep me going, always back to  
you  
Remember the time that we used to share, those  
summer nights  
In love with you  
Sweet baby, baby, I'm fallin in love

More and more, and more

Things value yesterday  
You and I must love this way  
Baby, now I know how love can grow  
Each and every day  
Every day in the midnight hour, feel love's hidden  
power  
Yea, yea, shes strong and bold, and the light unfolds  
The mystery, the mystery in me

Baby, baby  
fallin in love, I'm fallin in love again  
Every night, and every day  
Baby, baby

Fallin in love, I'm fallin in love again  
More, and more, and more(x2)
