You came into my life  
And you showed me how to feel  
You covered me with love  
And you made me feel so real  
I dont wanna lose your love  
Youre the only one Im dreaming of  
Let this feeling never end  
You were heaven sent

Love is just a heartbeat away  
Now here is my promise  
I'll take you to the moon and back  
I'll light each star for you  
Love is just a heartbeat away  
To you I'll swear, baby  
I'll let the snow fall down in june  
To make my dream come true  
That you'll be mine

I'll be there for you  
You can always count on me  
I don't wanna live without you  
(Without your love  
Without you near by my side)  
I just wanna spend my time, close to you  
You make me feel so right  
Let this feeling never end  
You were heaven sent

Love is just a heartbeat away  
Now here is my promise  
I'll take you to the moon and back  
I'll light each star for you  
Love is just a heartbeat away  
To you I'll swear, baby  
I'll let the snow fall down in june  
To make my dream come true  
That you'll be mine

You came and changed my life  
Cause you showed me

Honesty, true love and dignity  
It's so amazing its so sweet it feels like heaven

Love is just a heartbeat away  
Now here is my promise  
I'll take you to the moon and back  
I'll light each star for you  
Love is just a heartbeat away  
To you I'll swear, baby  
I'll let the snow fall down in june  
To make my dream come true  
That you'll be mine.
