[Melanie]

Tonight is a night, is a night of love
Forever and ever is never enough
Tonight is a night, is a night of love
Together for ever I can't get enough

[D.L. McCray]

Come with it man, Ohhh Hup

Hold me, Hold me
You squeeze me, squeeze me
Yes come a ready loving
Cause you know it's not easy

Hold me, Hold me
Yes love a me, love me
Yes come a ready music
Come we see nobody

Yes run come give me lovin'
Come a give it to me
But a when you give me lovin'
Give me physically

And anything we do
We do it naturally
Say come and make me do it
Then we see no party

[Melanie]

Tonight is a night, is a night of love
Forever and ever is never enough
Tonight is a night, is a night of love
Together for ever I can't get enough

Ohhh, Give me tonight for love
I just can't get enough

Ohhh, Give me tonight for love
Too much is not enough

[D.L. McCray]

Come down with it man, Ohhh Hup
(It's going by too)

Now that you've got my lovin'
Together we can make it
Don't anybody try to stop
And people try to break it

Come with the boys I met with last
They're in a harmony (I like that)
Your love is what I want
And yes you give it to me

Yes hatay, hataya
Come with the boys don't stop it
Hataya, hataya
Yes my love I've got to

Hata come with the disco mix
With stop a band he goes
Say come baby girl
Down here on the floor
And take me with your love

[Melanie]
Tonight is a night, is a night of love
Forever and ever is never enough
Tonight is a night, is a night of love
Together for ever I can't get enough

Ohhh, Give me tonight for love
I just can't get enough

Ohhh, Give me tonight for love
Too much is not enough

I-e-i-e-i-i-ah, I-e-i-e-i-i-ah
I just can't get enough

I-e-i-e-i-i-ah, I-e-i-e-i-i-ah
I just can't get enough

I-e-i-e-i-i-ah, I-e-i-e-i-i-ah
I just can't get enough

I-e-i-e-i-i-ah, I-e-i-e-i-i-ah
I just can't get enough

Tonight is a night, is a night of love
Forever and ever is never enough
Tonight is a night, is a night of love

Together for ever I can't get enough
