Mamma look, I love him
Mamma look, I love him
Mamma look, I love him
Mamma look, I love him
Mamma look, I love him
Mamma look, I love him
So?

Verse1

You should never judge a book by the cover
Take another look inside
Trust me when I say he ain't just a lover
He's the only one who's mine
I tell you

Mamma look, I love him
Mamma look, I love him
Mamma look, I love him
Mamma look, I love him
So?

Look mamma
Look mamma
Oh-oh-oh-oh-ay-oh-oh-oh-oh-oh-ay-oh look mamma
Oh-oh-oh-oh-ay-oh-oh-oh-oh-oh-ay-oh look mamma

Verse2

Sure he doesn't look like doctors and lawyers
But it doesn't mean a thing
He's got better ? than high-class ?
Mamma you should hear him sing
I tell you,

Mamma look, I love him
Mamma look, I love him
Mamma look, I love him
Mamma look, I love him
So?
