(answering machine beeps)

Charli:

Hey bitch, it's me, Charli Baltimore  
Listen, man, i'm just calling about my album  
And the voicemail i gotta found  
So, i gotta leave this voicemail message to you  
Are you like my shit "Cold As Ice"?  
Ya, like this, i like this shit  
So, like my shit "Cold As Ice" for real?  
Ya, i like you, but... (sighs)  
Can you pick up the phone at me, please?  
You must hear the phone rings  
And pick up the phone  
And sayin' "Hello?"  
(laughs)  
Aight, bitch  
Listen, man, just call me  
Or i call you everyday  
Listen, i call you?  
I must dialing:  
351 824 672  
Listen, you call me?  
You must dialing:  
370 482 823  
See you soon  
Bye bye  
Charli
