Les le bon temps rouler

Hey baby, won't you stop what you're doin'
Go on home, put your red dress on
Tell your mama I said not to worry
I'll have you home before the break of dawn

Sonnier's got his squeeze box pumping
Thibadeaux's got his fiddle out
Meet me over by the side of the river
'Cause there's big doins down at Boudreaux's house

Take my bateaux down by the bayou
Pole on over to the fais do do
Don't be late, don't keep me waitin'
Everybody's gonna go, everybody's gonna go

I wanna be there when the band starts playin'
Zydeco music makes me wanna dance
Sun's goin' down and a new moon's shinin'
Mighty fine night for the big romance

I've got a question, I just might pop it
I know something that you don't know
Well, I got a ring of gold in my pocket
Tonight's the night and you can't say no

Take my bateaux down by the bayou
Pole on over to the fais do do
Don't be late, don't keep me waitin'
Everybody's gonna go, I said, everybody's gonna go

Take my bateaux down by the bayou
Pole on over to the fais do do
Don't be late, don't keep me waitin'
Everybody's gonna go, I said, everybody's gonna go

Hey baby, won't you stop what you're doin'
Go on home, put your red dress on
Tell you mama I said not to worry
I'll have you home before the break of dawn

Sonnier's got his squeeze box pumping
Thibadeaux's got his fiddle out
Meet me over by the side of the river
'Cause there's big doins down at Boudreaux's house
