Judas Iscariot how did you feel as you watched them  
take him away  
And you Simon Peter what did you think when you  
betrayed him at the break of day  
Did your heart break down inside from the bitter tears  
you cried  
Did you think that all was lost as he hung there on the  
cross  
Did you think he'd deceived you or did you believe  
The things he told you just before he died why'd you  
run and hide

John the beloved where was your heart as you waited  
the lonely night through  
Were you afraid now that Jesus was gone the Romans  
were coming for you  
Did you cringe in fear and shock when you heard that  
fateful knock  
And the shout rang through the room that he was not in  
the tomb  
As you ran to the grave and entered the cave  
And found the stone had been rolled away what did the  
angel say

(He's not here he is risen he is not among the dead  
He has sealed Jehovah's covenant he has crushed the  
serpents head

He has conquered death hell and the grave now the  
old debt has been cleared

He's not here he's not here)

[ guitar ]

Brothers and sisters where will you be when he makes  
his triumphant return

He's calling to you his salvation is free can't be bought  
confiscated or earned

Though your sins be scarlet red like the Holy Bible says  
Come and stand beneath the flow and be washed as  
white as snow

Then join in the chorus proclaiming the joyous  
Praises to the King of Kings lift up your voice and sing

(He's not here he is risen...
