We'll the eagle's been flying slow and the flag's been
flying low
And a lot of people's saying that America's fixing to fall
But speaking just for me and some people from
Tennessee
We got a thing or two to tell you all

This lady may have stumbled but she ain't never fell
And if the Russians don't believe that they can all go
straight to hell
We're gonna put her feet back on the path of the
righteousness
And then God bless America again

And you never did think that it ever would happen
again
In America, did you?
You never did think that we'd ever get together again
Well we damn sure fooled you
We're walking real proud and we're talking real loud
again
In America, you never did think that it ever would
happen again

From the sound up in Long Island out to San Francisco
Bay
And every thing that's in between them is our home
And we may have done a little bit of fighting amongst
ourselves
But you outside people best leave us alone

'Cause we'll all stick together and you can take that to
the bank
That's the cowboys and the hippies and the rebels and
the yanks
You just go and lay your head on a Pittsburgh Stealer
fan
And I think you're gonna finally understand

And you never did think that it ever would happen
again
In America, did you?

You never did think that we'd ever get together again
Well we damn sure fooled you
We're walking real proud and we're talking real loud
again
In America you never did think that it ever would
happen again

And you never did think that it ever would happen
again
In America, did you?
You never did think that we'd ever get together again
Well we damn sure fooled you
We're walking real proud and we're talking real loud
again
In America, you never did think that it ever would
happen again
