Mandolay

There's a Spanish disco in a town not far from France
Known throughout the continent where people love to
dance

There's a dark-skinned lady there
Whose legs have brought her fame
She dances in the center ring, and the people call her
name

Mandolay, say hey
Say Mandolay
Say hey
Say Mandolay

All the men they know her
Or at least they think they do
She knows she can have them all
She thinks all men are fools
So she winks and smiles at them and brings them to
their knees
Leaves them with their fantasies, but the people never
see

Mandolay, say hey
Say Mandolay
Say hey
Say Mandolay

She can make men happy
But she'll never let them know
Mandolay, she's much too cool to let her feelings show
So she'll tease them with her moves,
Confuse them with her mind
Make love to everyone of them,
But only with her eyes

Mandolay, say hey
Say Mandolay
Say hey
Say Mandolay
