Oh Angie, Angie
When will those dark clouds disappear
Oh Angie, Angie
Where will it lead us from here
With no loving in our souls and
No money in our coats
You can say we're satisfied
Oh Angie, Angie
You can't say we never tried
Oh Angie, you're beautiful
Ain't it time we say good bye
Oh Angie, still love you
Remember all those nights we cried
All the dreams we held so close
Seem to all go up in smoke
Let me whisper in your ear
But Angie,
Angie, Angie
But Angie, still love you
Every where I look I see your eyes
There ain't no woman that
Comes close to you
Come on baby dry your eyes
But Angie, Angie
Ain't it good to be alive
Oh Angie, Angie
They can't say we never tried
Oh Angie, Angie
Ain't it good to be alive
Oh Angie, Angie
They can't say we never tried
(originally by the Rolling Stones)
