Sweet forgiveness, my redemption
You're a Savior once for all and today
O the mercy, it comes to flood me
Jesus on the cross, You took my place
And I'm chasing after You 'cause
You first chased after me
And You purchased me with blood,
I am free I am complete
Now a child of my King,
Leaving old I am made new
'Cause You first chased after me,
I am chasing after You
And I found my love, I found my love
And my heart is dancing (yeah)
Jesus, Jesus, I am chasing after You
Jesus, Jesus, Jesus, I am chasing after you
