And I can see that my hands are trembling, I can see
that my legs are weak
I can see that my head is spinning, but I will overcome
And I know that my heart is hurting, And I know that my
soul it aches
And I know that it seems I'm failing, but I will overcome,
yeah
Chorus:
O Lord I'm strong in You, O Lord I am wise in You
O Lord I can see in You, so I will overcome
O Lord I'm loved by You, O Lord I am free in you
O Lord I'm complete in You
So I will overcome, I will overcome, I will overcome
Bridge:
God listen to me shout, I'm so far from anywhere and
I'm calling out
Lead me, lead me to the rock that is higher than I
You're my breath, You're my breath, You're my very life
Infinite, Holy King meets weak and frail Christ in me
And I will overcome not by my strength but by Your
grace and love
