Send us with fire to go love the world
Lay down all riches for the pearl of great cost
Count it as nothing for the sake of the cross
Pour out an offering of our lives for the lost, send us
out

Chorus:

You're our greatest desire, Jesus, Your name is our
greatest song
So send us with fire to go love the world
Send us with fire to go love the world
Channel our passions into pleasing Your heart
Come consecrate us, come and set us apart
You're the hope of the nations, we life high the cross,
send us out
