"Swimming From The Shipwreck"

Cut the things that slow me down
'Cause I'm tired of sinking down
Take the rope now off my neck
Swim away from this shipwreck
Simplify my life by letting go
I want to yield and burn with truths I know
I'm learning how to lose myself again
Swimming back to You (You)
We had followed Him for days
People walked when He turned to say
"Sink into My life, drink from My cup
Take no one over Me in love," hey
You call me, come and die, oh
A life that's crucified, in You
Where would I go, You're the Christ, my life
My life, my life, You're my life
Back to You, back to You
Away from me, yeah, away from me
