You make the deserts collide
You give the voiceless, songs
You think to bear unless
You make the weak one strong

Who can thrill a heart like Jesus?
Your life flowing in us
You can make the heart ablaze with life
Glorious, You're glorious
Who can thrill a heart like You?

You give the dreamers, dreams
You help the lame ones lean
Now let the singers sing
Of all the life You bring

Who can thrill a heart like Jesus?
Your life flowing in us
You can make the heart ablaze with life
Glorious, You're glorious
Who can thrill a heart like You?

Let Your presence rise around us
Let Your light chase off the dark
More of You and less of us, God
Let us in Your burning heart

Let Your presence rise around us
Let Your light chase off the dark
More of You and less of us, God
Let us in Your burning heart

Who can thrill a heart like Jesus?
Your life flowing in us
You can make the heart ablaze with life
Glorious, You're glorious
Who can thrill a heart like You?

Who can thrill a heart like Jesus?
Your life flowing in us
You can make the heart ablaze with life
Glorious, You're glorious

Who can thrill a heart like You?
