All these politicians of all colors and all size  
Who take away our rights to

Fight a war and watch us die  
These phone taps fuckin piss me off

Our taxes go to war  
Murders, lies, weapons, cries

Can't take it anymore

Reject  
Refuse  
Deny  
You lose

Who really has the power now?  
They tell us to relax  
Just as we are told to live  
We're never fighting back  
The time has come for us claim

The rights they took away  
Reject, refuse government and so we say  
Lets go plebe!

Se alimentan con mi pinche sangre  
Se emborrachan con mi sufrimiento  
No les importa lo que estoy sintiendo  
Pol?ticos nos est?n vendiendo  
Pol?ticos se est?n r?endo

Who really has the power now?  
Just fuckin do what your told

And never break the mold  
Reject and refuse this brainwashed society  
Lets lock up all the leaders

And throw away the key  
Todas las noches dime lo que voy a ser

Dime lo todo yo lo puedo entender  
Son esas cosas que yo tengo que escuchar  
Dime lo todo lo voy a rechazar

Reject! Refuse! The fascist radio station  
Reject! Refuse! The conditioned population  
Reject! Refuse!  
Reject! Refuse!
