Moe and Joe run the video store  
Selling micas behind closed doors  
The cops grab Moe and as Joe runs out  
Brother Moe he began to shout

Run Joe!  
Hey the man's at the door  
Run Joe!  
Hey man he won't let me go  
Run Joe!  
Run Joe as fast as you can  
Run Joe!

These police holding me hand

Hide the crystal ball by the fence  
So they won't find the evidence  
Get somebody to tell a lie  
Got to have me an alibi  
Hurry home and get in your bed  
Call the doctor and tie your head  
Get somebody to call my bail  
Don't want to stay in that fucking jail

Run Joe!  
Hey the man's at the door  
Run Joe!  
Hey man he won't let me go  
Run Joe!  
Run Joe as fast as you can  
Run Joe!  
These police holding me hand

When they take me before the sarge  
I am going to deny that charge  
When the judge ask me how I plead  
Not guilty judge most decidedly  
You can see judge at a glance  
I'm just a victim of circumstance

Run Joe!

Hey the man's at the door  
Run Joe!

Hey man he won't let me go  
Run Joe!

Run Joe as fast as you can  
Run Joe!

These police breaking me hand

Ain't your mother done told ya?  
Ain't your mother done scold ya?  
Ain't she warned ya before Joe?  
If you get caught ya run Joe  
Run Joe!

Police catching up to Joe  
Joe run to slow
