You've been gone  
So many times  
You wore my dreams away  
For all the times you broke my heart  
I never thought I'd say

This time when you leave me  
Don't come back no more  
I couldn't bare to go thru what I did before  
Don't bring back this Misery  
This time when you leave me  $\tilde{A}f\hat{A}\hat{c}\hat{a}, \neg\tilde{A},\hat{A}!$   
Leave me

My heart will always bear your name  
No matter where I go  
But I'm too tired for clutching straws  
Because its lust I know

This time when you leave me  
Don't come back no more  
I couldn't bare to go thru what I did before  
Don't bring back this Misery  
This time when you leave me  $\tilde{A}f\hat{A}\hat{c}\hat{a}, \neg\tilde{A},\hat{A}!$   
Leave me

Leave me darling make the break  
Leave me love for ole time sake  
Leave me some love left to give  
Away  
To someone else some day

Music

I guess I knew along time back  
It would wind like this  
The wounds are deep  
And this time Love  
You can't heal them with a kiss

This time when you leave me  
Don't come back no more  
I couldn't bare to go thru what I did before

Don't bring back this Misery  
This time when you leave me  
Leave me  
This time when you leave me  
Leave me
